

Student Council Book Drive

April 8 - April 26

The Student Council needs new or gently used children's books! We plan to donate all collected books to City Cuts in Kutztown, PA. This barber shop gives every child \$3 to read out loud while getting a haircut. The even better news is that the children get to keep the books that they read. The purpose behind the program is to build self-esteem and the love of reading. Books for the Book Drive can be placed on the cafeteria stage. Thanks for helping us with such a great cause!
